HOW BIG WE ARE...

Numbers say it all! Piaggio is an ultimate choice and an unconquerable leader in the segment and miles ahead of the rest!

- The market share of Piaggio is 3 times bigger than its nearest competitor in the segment.
- Even after combining the market share of all competitors, they still lag far behind and can't match Piaggio's impressive scale.

WE ARE NO.1 BECAUSE...

- Italian Legacy of Excellence in the Automotive Segment across the globe
- Pioneer of 3 wheeler Cargo Segment in India
- Piaggio owns & dominates the category, being the market Leader for 20 years
- Greater understanding of Indian transportation scenario and Piaggio's care for its customers

HIGHEST EARNINGS

- Specially designed for Indian conditions to deliver highest mileage and lowest maintenance in its class
- Easy availability of the original spare parts
- Easily repairable across the country
- Strong & rugged body helps in exceptional load carrying capability
- Its superior power & pick-up generate more trips, eventually leading to enhanced earnings
